PROFESSIONAL EXPERIENCE

Calderwood Partners First Year Analyst Intern, 1 of 4 selected London	Aug 2026
- Pitched a £310m carve-out of a regional logistics operator to five senior bankers in a team of four - Benchmarked seven listed peers on EV/EBITDA, anchoring an £88m enterprise valuation - Mapped £26m of proceeds across fleet renewal, depot expansion and working capital	
Ravensbourne Capital Private Equity Insight Week London	Jul 2026
- Pitched a £180m buyout of a listed dental group to a mock investment committee in a team of five - Underwrote 2.8x MOIC on EBITDA growth from £22m to £41m, funded by £70m debt and £110m equity - Timed entry off an 18% de-rating that left the asset below its own three-year average multiple	
Thornbury Consulting Insight into Consulting Programme, 1 of 12 accepted London	Jun 2026
- Completed market entry, pricing and growth strategy cases under partner instruction - Sized the UK market for a £400m urban EV charging rollout, proposing three revenue models	
Halberd Group Insurance Spring Week, 1 of 50 selected London	Apr 2026
- Rotated through underwriting, broking and claims, pricing a mock commercial property book - Presented a risk appetite recommendation to a panel of four underwriters on the final day	
Northfield Sixth Form College Peer Tutor Northfield	Oct 2024 to Jun 2025
- Mentored 14 students across Economics and Mathematics, delivering 5+ hours of sessions weekly - Drove a 15% average grade increase, tracking session hours against mock exam performance	
Various Companies Additional Insight Programmes London	Apr 2026 to Aug 2026
Strategy Consulting Summer School, Corporate Bank Insight Day, Asset Manager Spring Programme	

LEADERSHIP

University Investment Society Founder and President London exampleinvestsoc.co.uk	Apr 2026 to Present
- Founded the society and grew membership to 60+, interviewed 18 candidates to build a committee - Managed a nine-person committee spanning research, events, marketing and sponsorship - Built a six-page society website, grew an Instagram following of 300+ and published weekly research notes	
National Mathematics Challenge Team Captain Northfield Sixth Form College	Nov 2024 to Dec 2024
Led a team of four through a national applied mathematics competition run over three rounds	

EXTRA-CURRICULAR ACTIVITIES

Trading Simulation Selected Participant London	Apr 2026
- Returned 4% (\$800k) on a \$20m multi-asset book across three simulated quarters - Placed 2nd of 30 participants, allocating across equities, fixed income and commodities	
Budget Tracking App Personal Project Python and SQL	Sep 2024 to Mar 2025
- Built a spending tracker in Python and SQL with category tagging and monthly reporting - Deployed to 35+ users across two weeks of testing, iterating the build on their feedback	
National Economics Essay Competition Finalist	Oct 2024 to Jan 2025
- Reached the finals on 20+ hours of research into housing supply and planning reform - Concluded from ONS and Land Registry data that release rates outweighed demand measures
